## NIKITA MAZHINSKIS

“ I appreciate the work of the department to excellent. I want to note the high level of professional competence of teachers. I hope that in the further learning process, we, students, will, as much as possible, complete tasks to solve incidents in specialized subjects. ”

## LHAGWATSENDEN TSERENSUREN

“ The master’s programme of the Department of Criminal Law, Criminal Procedure and Criminalistics, has its advantages. First of all, within the framework of this programme, we study not only Russian legislation, but also the legislation of foreign countries. We regularly conduct a comparative analysis of Russian legislation with a foreign one. Also, the department has outstanding experts in the field of criminal law, criminal procedure and criminalistics, many of whom have rich practical experience in law enforcement. And this gives us a great opportunity to learn a lot about our specialty. ”
