# STUDENTS FEEDBACK

## **KHALAF SAAD, EGYPT**

“ Why did I choose to study at the Department of Theory and History of IR at RUDN? Because it is a serious University with a high degree of quality education and training in various fields. I know that I will be able to apply the knowledge I received at the RUDN University in practice, and it will help me in my professional activity. RUDN occupies a leading position in the rankings and could be treated as one of the best Russian and world Universities. ”

## **DANYUK NIKITA SERGEYEVICH, RUSSIA**

“ Master’s degree at the Department of Theory and History of IR was the final stage in obtaining fundamental education in international relations, which greatly helped in further professional activities. High qualification of teachers of the Department, innovative and creative approaches to the learning process, as well as the introduction of modern technologies in the educational process have become a guarantee of high-quality professional training, which is not inferior to the best domestic and foreign analogues. ”

## **MANDALICA TIARA, INDONESIA**

“ RUDN is exactly the same Alma mater that teaches the main thing-to see people in people and life in life. Many thanks for the individual approach to each student. ”

# STUDENTS FEEDBACK

**BATCHULUUN BATTLEMAN, MONGOLIA**

High professionalism is combined with an amazing sensitivity and readiness to help at any time, and the personal example and love for their work of the Department employees motivate them to search for their own purpose and successful work in international relations.

**SANDOVAL SEPULVEDA VALENTINA ISABEL, CHILE.**

The knowledge gained at the master's degree program "World politics: conceptual foundations and intercultural interaction" helps me in my further scientific and professional development. It obviously helped to deepen and systematize the skills that were obtained earlier. I would like to express special gratitude to the entire teaching staff of the Department for their professionalism and responsible attitude to the educational process.

**VARDANEGA SIMONE, ITALY**

RUDN is an amazing University where, in addition to the best education, I got a huge experience of interacting with people of various nationalities and cultures. There is every chance to learn from the best minds in the country and find real friends around the world. I would like to express my gratitude to all the teachers and students who made my student life unforgettable!
